SPECIAL FILMING CONDITIONS TEMPLE/BEAUDRY AREA

The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

The Temple/Beaudry area is a densely populated residential neighborhood that overlooks the downtown skyline. It is bordered by Temple Street, Glendale Boulevard, 1st Street and the 110 Freeway. The following Special Filming Conditions have been established to mitigate the concerns of local residents and to provide for a balance use of the street(s) as a filming location.

- **Production must contact community representative**
 - Danny Luna (Primary contact)
 - dannyluna.epnc@gmail.com
 - 818.823.3388
 - Rosalinda Morales (Secondary contact)
 - ROSALINDAMORALES2014@gmail.com
 - 213.700.4853
- **Affected residents must be notified at least two (2) days in advance of the first day of filming or the first day of any substantial set preparation. NOTIFICATION MUST BE DONE IN ENGLISH AND IN SPANISH.** *Permit requests must be submitted to FilmL.A. at least three (3) days in advance.*
- **Parking of production vehicles is limited to one side of the street only and should be limited to no more than 400'.** *Companies requesting to post more than 400' are required to conduct a Filming Survey AND provide secure parking for displaced residents.*
- **Production companies requesting posting and/or parking on any street are required to have at least one off-duty or retired police officer.**
- **Cast and crew are prohibited from parking on area streets.** Off-site parking must be arranged by the production company and cast/crew must be shuttled to and from the location.
- **Production companies may not arrive in the area prior to 7:00 a.m. and must depart no later than 10:00 p.m.** unless affected residents (generally those within 300' of the filming activities and 200' of equipment parking) are surveyed to identify neighborhood concerns and approval is obtained from the Permit Authority. The approved times must be indicated on the permit.
- **Trash and refuse must be removed from the area immediately after filming activities are completed.**

SPECIAL FILMING CONDITIONS ANGELINO HEIGHTS AREA

The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

This area is bounded roughly by Echo Park Avenue on the west, Sunset Boulevard on the north and east, and the Hollywood Freeway (101) on the south.

- **Affected residents/merchants/businesses within 500 ft. of any filming activity (including production equipment parking, cast/crew parking, or catering) must be notified at least two (2) days in advance of the first day of filming or the first day of any substantial set preparation.** *Permit requests must be submitted to FilmL.A. at least three (3) days in advance.*
- **Cast and crew are not permitted to park on area streets.** Off-street parking must be provided.
- **Minimal posting only for equipment parking will generally be allowed** and only on one side of the street.
- **Posting or parking of equipment is prohibited on the 1300 block of Carroll Avenue (between Douglas Street and East Edgeware Road)** unless the filming address is on that block. In that case the Special Filming Conditions for the 1300 block of Carroll Avenue must be followed.
- **A FilmL.A. Monitor will be assigned to encourage compliance with the permit and conditions.** The Monitor will generally arrive at the designated location 1 hour prior to the permit start time to note proper arrival time and remain with the production company during all filming-related activities and ensure proper departure time.
